## 4th UK Turkish Cypriot Cultural Festival will be held on **28 June 2020** 11.00am – 11.30pm

The date for the fourth edition of the Turkish Cypriot Cultural Festival, which was first established in 2017 by the Council of Turkish Cypriot Associations (CTCA), has been announced. The long awaited 4<sup>th</sup> Turkish Cypriot Cultural Festival will be held on **Sunday 28 June 2020** at its usual place, **Enfield Playing Fields, North London**.

Council of Turkish Cypriot Associations Chair Leyla Kemal said: *'Following on from the successes of three festivals we organised, we are now preparing for a bigger and better festival this year. We introduced several firsts last year, such as sign language on the main stage and Mid Summer Ball for our younger audience, and we will continue with them again, in addition to other surprises.'*

Every year, CTCA's brainchild festival provides an opportunity to the British Turkish Cypriot community to proudly embrace, celebrate and promote their culture.

This great event welcomes people of all nationalities who have an interest in Northern Cyprus Culture be they British, Turkish Cypriot, or other, **IN PARTICULAR our Association members living in the UK** – with its location not far from the M25, with numerous hotels

should you need one within a close proximity, **why not make June 28<sup>TH</sup> a date in your diary.** Especially as this is the same day that our members in Northern Cyprus will be having one of their Social (lunchtime) Gatherings -- so you could attend this UK event and eat/drink in harmony with our Association members in the TRNC!

Some photos from the previous events of the last 3 years: -
