### APRIL / NISAN

#### 28<sup>TH</sup> Visit to the Cyprus Mines Corporation in Lefke

This visit to the Cyprus Mines Corporation in Lefke provides a glimpse into this company's past, present and future. The Cyprus Mines Corporation was an early twentieth century American mining company based in Cyprus. In 1914, Charles Gunther began prospecting in the Shouf mountains in Cyprus after reading in ancient books that the island was rich in copper and tin. They found some promising ancient Roman slag heaps in the area they had minded for several years previously. Following Gunthers' prospecting the Cyprus Mines Corporation was established in 1916 by George Seeley Mudd, and remained in family hands until the early 1970s when it was sold to Amoco. To discover more about this fascinating and intriguing company that had links to Hitler's Nazi Military during the Second World War, set up a talk for us for our Jewish cousins in

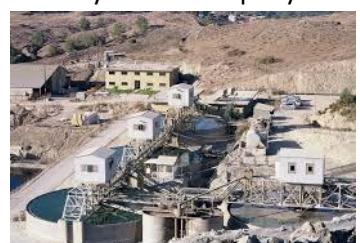

war torn Germany, organized the escape of refugees in war torn Germany, established a humanities and engineering college, from the Mudd's family to Freeport-McMoRan the Cyprus Mines Corporation has an intriguing past.
