18TH MAY 2020

Dear *Member*

As you may be aware several of our Association Members are currently stranded outside Northern Cyprus with no idea when they will be allowed to return, due to the borders of our Country being closed as part of the restrictions to stop the spread of Coronavirus-19. The TRNC Government is now arranging for Turkish Cypriots to be repatriated from the beginning of June as the first phase of their repatriation plan.

All Cypriots returning will be required to go into quarantine for 14 days in a hotel at the governments' expense, to ensure no one entering the country re-introduces Coronavirus-19 to the island.

Depending on the results of this first wave of repatriations they intend to allow Foreigners who live in the Northern Cyprus to return, possibly commencing in the middle of June. Anyone returning will need to go into quarantine for 14 days when they return (It this moment is not known where or at who's expense the quarantine will be). It is hoped that this could commence from the middle of June, but this will be dependent on how the first phase progresses.

If you live in Northern Cyprus, and are currently stranded outside the island and want to return to your home in Northern Cyprus, please can you reply to this email by completing the attached form, **AND RETURNING IT COMPLETED** by midnight on **Friday 22<sup>nd</sup> May** to our Association Secretary.

We need this information to help us understand the specific situation of our members so that we can inform the relevant TRNC Government Minister responsible for repatriation flights. Please Note; we will not pass any personal information you provide to the government without your consent.

Please reply to our association Secretary Caroline Houghton via her Association email address: -
