ATA Organised EVENT for 2021

Cheese & Wine Tasting

Ever wondered what wine is best with a certain cheese or for that matter a certain meat. Well this tasting experience will help you!

Allow your taste buds to enjoy the sensations of different wines, cheeses and meats as we learn what to look for and how to pair the right wine with a cheese or meat.

During the tasting you will sample a wide variety of wines, cheeses and meats and by its end have hopefully gained the knowledge to better understand a little bit more about which type of wine compliments which type of cheese or meat. If nothing else you will have spent an enjoyable couple of hours eating and drinking three of our favourite things – *wine, cheese & meat*.

An event itinerary will be published on the association Website and Facebook Group + Page once actual dates and costs are confirmed.

Descriptions of all Events are done so using poetic journalistic license and should not be assumed to be a detailed description or itinerary of any particular Event, rather a '*wetting the imagination*'. Detailed information on all Events will be emailed to members in sufficient time prior to the actual Event to enable informed decisions made as to if the Event is of interest to you. For more information on any of our Events in 2021 please email our Events Organiser; contact details can be found on the committee members page and events page of our website.
