Kuzey Kıbrıs Türk - İngiliz Derneği The Anglo Turkish Association of Northern Cyprus (ATA) which regularly supports good causes for the benefit of everyone in Northern Cyprus has today presented the Çatalköy Primary School with a Table Tennis Table for its pupils.

Headmaster of Çatalköy Primary School, Uğur Çınar thanked the ATA for the donation of a table tennis table, saying 'pupils will learn so many skills from playing table tennis – eye and hand co-ordination, team work, competitiveness, counting and lots more. Further commenting, 'when we heard the ATA help local schools, we asked them if they could give us a table tennis table, and were delighted when they said – yes. Thank you, Thank you, Thank You ATA'.

ATA Chairman Philip Lloyd whilst presenting Uğur Çınar with the table tennis table said that as soon as the table was assembled there was a queue of children wanting to play table tennis and the smiles on their faces and chatter amongst each other was a joy to behold. The ATA is always pleased to be able to help local good causes that are child related, as this is something close to the associations heart, and being able to respond to a request from a school is always a rewarding experience.
