08/09/2023 – the ATA could not turn a Blind eye to a school's request

When Çamlıbel Aysun İlkokulu needed help, in-stepped the Anglo Turkish Association of Northern Cyprus (ATA). Following a request from the schools Headmaster Mustafa Eric, in readiness for the new academic year the ATA installed new blinds to all the schools Classrooms. I can't thank the ATA enough

said Mustafa, 'for years the school children have had to put up with sunlight disrupting their lessons, now with the new blinds the difference it will make to the children's learning will be immeasurable'. Further commenting 'I heard about the ATA from friends and everything I heard is true, the ATA really do help the local Turkish Cypriot community'.

ATA treasurer Tim Morgan seen above in one of the classrooms with the school's Mustafa Eric and also receiving a certificate of appreciation from the school, said 'the ATA are pleased to have been able to help Çamlıbel Aysun İlkokulu just as we are with all the other local good causes across the TRNC that we are constantly helping'.

Details of some of the good causes the ATA has helped, can be found on the Charity Page of the association's website: -
