Only if there is sufficient interest before October 31st 2023 in a particular tour, will our Tour's organiser Gültür Kuran, commence putting together a comprehensive tour itinerary and prices for a particular tour.

Tours will only go ahead if between 12 to 30 people commit to a particular tour at the time a deposit payment is required.

Actual tour prices and dates will be announced once a comprehensive itinerary has been put together, but will be within the stated date periods.

As with all our tours, a place on a particular tour will be on a first come first booked basis at the date and time a deposit payment is required.

Member tour prices are less than Non-members tour prices.

A tour itinerary for a particular tour (including tour prices, tour dates, payment dates and full tour details) will be published in due course.

A selection of comments from members and non-members who have been on recent ATA Tours: -

the members on the tour were a wonderful group of people, and that the tour was a fantastic introduction to Bulgaria

great tour, our guide, Marina, was just fantastic, knowledgeable, enthusiastic and entertaining

first ATA tour, brilliantly organised, enjoyable, fascinating places visited and a wonderful group of fellow travellers. It certainly, won't be my last ATA tour!

'people who have been on an ATA tour say how special they are compared to other tours, now having been on one I can't wait to go on another'.

'Gültür, lived up to her reputation for good organisation and throwing in unexpected surprises along the way such as a last day visit to Istanbul's largest M&S! My wife is already looking to see where the ATA can take us to next'.

even though we crammed so many highlights into 3 days, it never seemed rushed because of Gültür's brilliant organisation and planning. On the last day, she even persuaded the dolphins to swim alongside our boat to cap off a wonderful tour. If you want to go on a tour – go on an ATA tour and you won't be disappointed!
