## 04/05/2023 – When a child needs a shoe

With the on-going support the Anglo Turkish Association of Northern Cyprus (ATA) are giving to the neglected children at the Çağlayan Çocuk Yuvası in Lefkoşa, it was no surprise when Osman Karamanli, Headmaster of the home, asked the (ATA) if it could provide clothing and shoes to the homes children. The response from the ATA was 'of course - YES'!

Osman said, 'Over the last few months the ATA have been refurbishing the home and will be doing so for some time to come, something which we are extremely grateful for, but as well as the physical and practical elements of the home needing help. So do its children! I am speechless at the help the ATA gives the home, the latest being new shoes for every child in the home. Thank you, ATA, for all you are doing to help the homes children live as normal a life as possible'. Seen here is ATA Vice Chairman, Hatice Kermigil, presenting Osman Karamanli, with new shoes for all the homes children.

ATA committee members Tim Morgan and Levent Özerdağ who are co-ordinating the ATA's response to the home's request for help, said 'The ATA is all about helping local good causes, and it is pleased to be able to

help Çağlayan Çocuk Yuvası in Lefkoşa'. Further adding 'over the last few weeks the ATA has supplied the home with new Blinds for all the homes bedrooms, dinning tables, televisions, plus many other items and is about to start work on renovating the homes Kitchens, Garden and New Play Area'.

If you, or a you and a group of your friends would like to sponsor any of the items needed at the home, please also email Tim ( treasurer.ata.trnc@gmail.com or Levent committee.ata.trnc@gmail.com ).
