One of the homes bedrooms following its refurbishment ready and waiting for its occupants. All bar one of the homes bedrooms accommodate up to 6 children at any one time. Osman Karamanli, Headmaster of the home said it is amazing the effect on the children that refurbishing the bedrooms have had. Further adding that each child sees their bed as their own private place in the home. In addition to the all the homes bedrooms, the ATA has also installed new curtains in the homes lounge, dining room and corridors.
