### **Bellapais Garden Party – 16/09/2023**

Anglo Turkish Association of Northern Cyprus (ATA) members and guests raise over 30,000TL at their Bellapais Garden Party to help the associations 2023 major project – the Çağlayan Çocuk Yuvası in Lefkoşa.

With Whisky & Rye performing into the wee small hours, an emotional and informative speech by ATA treasurer Tim Morgan in which he spoke about receiving donations of 150,000TL, 50,000TL, 15,000TL, plus many others, it was no wonder that those present went home happy knowing the association they belong to really does help local Turkish Cypriot good causes.

ATA Chairman Philip Lloyd, thanked everyone for attending the wonderful evening in particular the ATA member who loaned the association their house for the night, those who donated raffle prizes, and most

importantly everyone who on the evening put their hands in their pockets to help the associations latest good cause – the Çağlayan Çocuk Yuvası in Lefkoşa.

ATA members Gary & John (Whisky & Rye) said they were honoured to be asked to play for fellow ATA members on such a special evening adding that first and foremost they are ATA members and entertainers second. So, when asked to perform Gary said it was a no-brainer – we had to perform. Whilst John agreed, saying we have turned down gigs to be able to perform tonight and raise money for such a worthwhile organisation, the ATA is dear to our hearts and as members we are pleased to be able to support them!

As a surprise for Gary, his parents flew in from the UK specially to watch him enthral and captivate his audience with song after song whilst also becoming ATA members on the evening. Gary's mum Linda said 'tonight was a magical moment for me, I don't know who was more emotional me or my son. Thank you, ATA for being such a caring and thoughtful organisation'.

ATA member Jenifer Tyler said 'as a relatively new member I couldn't believe my luck in getting the opportunity to come to such a fabulous event, the house and its gardens are breathtaking. Thank you, ATA, for such a great night, my first ATA function but not my last!
