Private Party – 21/10/2023

When Anglo Turkish Association of Northern Cyprus (ATA) member Olwyn Patterson wanted to help the ATA's 2023 major project, the Çağlayan Çocuk Yuvası in Lefkoşa. The first thought in her mind was to have people attending her birthday party make a donation to the ATA in lieu of presents.

On the evening, the ATA's donation box was placed in a prominent position and the ATA treasurer Tim Morgan gave an informative speech on why helping the children at the Çağlayan Çocuk Yuvası in Lefkoşa is such a major project. An attentive audience ensured that the donation box received a good range of currencies: - Turkish Lira, Euros Sterling and American Dollars.

A total equivalent to 12,500TL was raised on the evening, and the ATA together with the Children from the Çağlayan Çocuk Yuvası say a BIG thank you to Olwyn and all the party goers.
